Refurbishment of orthopaedic sets

Refurbishing instruments can save up to **80%** of the cost of buying new, with compelling evidence to demonstrate e£ectiveness

Independent research[1] showed that instruments refurbished by Reeax Enterprises had a 4x reduction in the amount of residual protein.

The smooth and polished surface has an increased cleaning e¤cacy, and all refurbishments come with an 18 month warranty as standard. Standard turnaround times are 1 week and an express 2 day service is also available.

Reference:[1] Data available on file.

Book your orthopaedic set refurbishment on reeaxenterprises@gmail.com
